

Attendance

Maintaining regular attendance is of vital importance to succeed in school. All students are expected to attend school every day unless the student is ill, has a justified appointment, or had a death in the immediate family.

Students are required to attend school for a total of 180 days. By law, parents are required to provide within two school days a written explanation of each absence. Notes not received within two school days will cause an absence to be considered as an unexcused absence.

Alpha Charter of Excellence will follow the Miami-Dade County student code of conduct handbook. To view the MDCPS Student Code of Conduct handbook Click the address below:
